Snow Clearing Tips

Winter is on its way and residents are reminded that they play a role in the City's snow clearing operations. Please note the following this season:

- Ensure that your boulevard is clear of all objects that could be damaged by snow clearing equipment.
- Large windrows of snow left by snowplows will be cleared whenever possible. Snow left in the driveways by the sidewalk plow will not be cleared by City crews.
- As per Traffic By-Law 2254, residents are required to refrain from parking on the street after a snowfall event until the snow clearing crews have cleared the street.
