How to Pay Your Taxes

Recommended: TIPP Program

The **Tax Installment Payment Plan (TIPP)** provides you with two options for pre-authorized payments:

- **Monthly** – Your current tax bill is divided into monthly payments over the remaining months of the calendar year, withdrawn on the first business day of each month.
- **Annually** – A single pre-authorized payment for the total balance is withdrawn on the Tax Due Date.

Apply by completing the application form here and submitting a VOID cheque. Visit Steinbach.ca/Taxes for more info.

Online. When adding City of Steinbach as a payee, search "Steinbach" and select the **Taxes** option. Your account number is your roll number. **Enter all 13 digits of the roll number,** including the preceding 451 and all zeros. **Do not** enter the decimal (i.e., enter 4510001234000 for roll no. 451 0001234.000).

You MUST ensure the roll number(s) you have set up on your bank payment profile is the same roll number(s) that appear on your tax bill(s). **Payments will be applied to the tax account as it is entered by the user.**

If an account number entered is incorrect, your payment will be rejected. **Penalties will apply to unpaid accounts.**

If you own more than one property, you need to make payment on each roll number separately when paying through online banking.

Mail a cheque* along with the bottom portion of the tax bill to 225 Reimer Avenue, Steinbach, MB, R5G 2J1.
